

Kokanee Carnival Field Trip

Monday, Sept. 19, 2011

Mrs. Renz & Mrs. Zistel – 4th Grade

Our Kokanee Carnival field trip is quickly approaching. Our classes are going to Fall River Fish Hatchery and Sheep Bridge near Wickup Reservoir. Students need to come to school at 7:15 am. We will return in time for our normal school dismissal by 3:30 pm.

Students will observe kokanee spawning and learn more about fish habitat, a kokanee's place in the food chain, life cycle, and their role as indicators of water quality. We will also see and learn about hatchery operations and methods of planting trout in remote streams. This program is produced and presented by Wolf Tree, volunteers from Bend's Central Oregon Fly Fishers Club, and the Sunriver Anglers' Club under the direction of the Oregon Department of Fish and Wildlife. There is no cost to students for this field trip, as Kokanee Carnival "spawnors" have covered our expenses. 😊

BRING IN A BACKPACK (Students & Chaperones):

- Sack lunch & water bottle (no glass containers)
- tennis shoes or closed toe walking shoes (no sandals)
- warm coat (it can be left on the bus if necessary)
- sweatshirt (for the "layering" method)
- hat
- sunglasses – polarized lenses are great to see fish in the water
- sunscreen
- backpack to hold all of these items

Students are expected to behave appropriately and follow school rules at all times. It is extremely important that the rules be followed around the river for the safety of all students. Please discuss this with your child. If you have any questions, don't hesitate to call or send a note.

Also, this is a great opportunity for you to come along and witness kokanee spawning in the wild. We need 5 chaperones. Due to large class sizes, chaperones will drive their own vehicle so we have space on the bus for our two classes. Please make sure your school district volunteer form has been turned in ASAP. Thanks for your support of this incredible program! Questions? Call us at 541-526-6400
