

Oregon State University Field Trip

OREGON STATE

Tuesday Nov. 1st

Students & Chaperones

Be in the hallway by the Gym at 5:00 am

Reminders for students & families:

- Be at school by 5:00 am. **PLEASE** do not arrive late! We need to depart on time.
- Each student will be given a \$6.00 meal card to buy lunch. If students spend more than that, they will need to bring extra cash to pay the difference.
- Adult chaperones and teachers will need to purchase their own lunch and may pay by credit card or cash.
- Students should bring a backpack with things to do on the bus. Electronics are allowed if they have sound control. Students must be willing to take responsibility for the safety of the game unit.
- Students may bring spending money. Depending on time, we may have a short period of time to shop in the OSU Bookstore.
- Watch the weather for Corvallis. Since we are going to the Willamette Valley, **there is a good likelihood of rain.** All students need to wear warm coats and/or rain gear. Please wear good walking shoes. We will be walking all around the campus as we take our tours. An extra pair of dry socks might be handy in the backpack for the ride home just in case!
- If you have any OSU Beaver clothing, be sure to wear it! If you are a fan of another university, please choose to wear those college colors a different day. We appreciate OSU giving our students the generous offer from Oregon State University and opportunity to experience the Tsunami Wave Lab and campus tour.
- Bring 2-3 healthy snacks **that do not need refrigeration.** One will be eaten in the morning and the other in the afternoon. Please bring a water bottle with tight fitting lid. Water only. No glass containers, pop, or juice.
- **We will return to school to the back bus parking lot at 6:00 pm. Parents, please be at school waiting for the bus.**

TURN OVER

Oregon State University Field Trip

OREGON STATE

PARENT CHAPERONES:

- Please bring your chaperone folder sent home last week to use the on the field trip.
- We have two classes sharing a very crowded bus. Parents will be driving so we encourage you to find a carpool and share in the fuel and parking expenses. We hope you can do this before the field trip or right away the morning of our trip.
- **Thank you** for helping make this a memorable field trip. ☺ We appreciate your help!

Colleges compete athletically and we all enjoy the rivalry BUT, our message to students is . . .

“We want you to set a goal and start thinking now about going to college. You will find the right college that fits your needs and what you want to study for your career. It doesn’t matter what college you go to, what matters is that you plan to go to college.”

Come prepared for a great day!

Mrs. Renz and Mrs. Zistel
Fourth Grade Teachers
