Dear Mrs. Renz:

Congratulations on being selected as a 2006 Disney Teacher Honoree! What an outstanding achievement! To be chosen as one of only three intermediate education honorees in the United States is a tribute to your teaching abilities. The respect you have from your students, parents, and fellow teachers is well-earned.

Judging from your multiple awards and achievements, it is clear that your love of teaching will continue as you move to your new position at Tom McCall Elementary School this fall. Your unique ways of introducing students to the world around them has made you an inspiration to all who hear of you.

Once again, congratulations on this achievement!

Best regards,
