

Geography of the Week #429

Name _____

Write answers in complete sentences and don't forget to capitalize all proper nouns (names of people, places, and things). Remember your ending punctuation, too!

1 Which state is bordered to the north by the Arctic Ocean?

2 What is the name of the lake due north of Wisconsin that is the second largest lake in the world?

3 What country would you be in if you were to travel due west from the state of Maine?

4 On a map, 1/2 inch equals 150 miles. The state of Wisconsin is one and a half inches long. How many miles would this be?

5 Which state is closer to the North Pole, South Dakota or Ohio?

6 Not including Minnesota and Louisiana there are 24 states east of the Mississippi River. How many states are there west of the river?

7 Which animal would probably be found closer to the equator, the llama of northern South America or the panda of northern Asia?

8 If you were at the stadium watching the San Francisco Giants play a home game, in what state would you be?
