

Thursday Folder Introduction

Mrs. Renz's 4th Grade
September 2005

Dear Parents,

Work from the week will come home for you to look at each week in this "Thursday Folder." The folder is organized with two pockets. On one side you will find work that is acceptable (grades of 80% and above). Acceptable work can be taken out and kept at home.

The other side of the folder will be for work that should be corrected and turned back in (below grade level standard or grades of 79% and below). I will raise the score on the paper 10 points or to a 75% whichever is greater. This work should be moved into the student's homework folder until it is completed.

This folder should be returned every Friday morning and students receive "Kokanee Kash" for a parent signature on their Thursday Folder signature page on Friday.
