

## Valentine's Day Challenge 2012

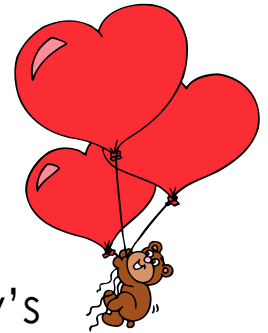

Valentine's Day is approaching and it is time for the Official Valentine's Day Challenge to begin!

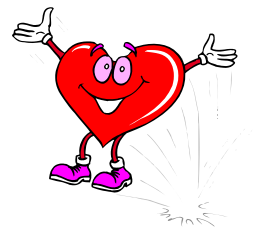

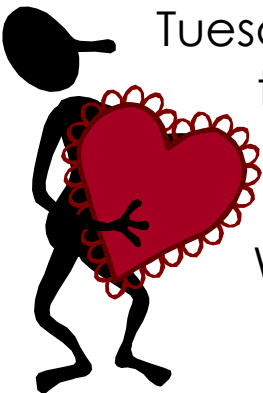

**Your Challenge:** Design and build a container that will hold all of the valentines your classmates will soon be giving to you.

**Method:** Be creative! Be unique! Use recycled materials from home (old cereal boxes, coffee cans, shoe boxes etc.). Use whatever materials you'd like (wrapping paper, foil, paint, fabric, ribbon, lace, buttons, beads, pipe cleaners, etc.). The sky's the limit! If you would like construction paper, just ask me, and I'll give you some. Be sure to design your container so you can retrieve your valentines without destroying it during our Valentine's Party!

**Due Date:** Please bring your container on Tuesday, February 14<sup>th</sup>. You may bring Valentines to pass out to each child in your homeroom. Be sure that all of your classmates are included as you make your Valentines. We look forward to seeing your creation!

Have fun!  
Mrs. Renz & Mrs. Zistel
